

Results of SPS Entitlements Auction – 25th February 2011

McCartneys report another pleasing result for their most recent Entitlements auction. Greatest demand was seen for the higher value Welsh entitlements worth a payment per annum in excess of £100 per acre. Our final auction for this trading year will be held in March. Please contact Miss Jenny Layton or Miss Katie Morris on 01547 528621 or your local office with your entries or enquiries.
